CLOSING DATE FOR SUBMISSIONS IS SUNDAY 17TH DECEMBER 2017.

Thurlby Parish Council, as the qualifying body, has prepared a Neighbourhood Development Plan (NDP) for the period to 2036 for Thurlby Parish. The NDP sets out a vision for the future of the parish, and planning policies which will be used to determine planning proposals locally.

Thurlby Parish Council is now inviting comments on the proposals in this Pre-Submission version of the NDP before it is submitted to South Kesteven District Council for formal consideration and wider consultation.

What can you tell us about the Plan.

The Pre-submission Neighbourhood Development Plan has been drafted using your opinions and comments from the Village Survey June 2015, together with those of other interest groups invited to consult over the last two years. This is not a finished document. It is for you to read and comment on.

- Are there things we have omitted?
- Are there sections which are not clear?
- Are there items you may think are wrong?
- We would also encourage you to tell us what you like about the plan.
-

Additional information is optional, but will greatly assist us in analysing responses to the consultation.

Please make additional separate representations if you are responding in different capacities. For example, you are an individual, but you are also an organisation or body or business, or you may be any other consultee type.
